Supporting Iowans since 2002

**IN YOUR HOME / ON YOUR SCHEDULE**

Iowa Focus is one of the largest providers of community based disability services in Iowa.

## Community

## Activities

## Support

*Iowa Focus supports people to develop their own lifestyles based on **personal interests, integrated activities, and lifelong friendships***

## What we do

**Iowa Focus works with you and your support team to develop a plan of service that helps you live successfully in your own community.**

**We integrate** people into their communities by encouraging involvement and friendship

**We involve** each individual in the selection and evaluation of his or her own staff

**We invite** each person to participate in his or her own plan of support, from goal setting to goal reaching

**We develop** professional and friendly relationships with the people we support

**We participate** with groups and organizations such as Special Olympics, Special Friends, Life Group, and Buddy Baseball.

**We sponsor** events and activities throughout the year for people we support, including picnics, parties, sporting groups, and trips to Adventureland

## SERVICES

Iowa Focus support staff work with you in your home and community. We provide staff on your schedule, to meet your needs.

SUPPORTED COMMUNITY LIVING (SCL) & HOME BASED HABILITATION (HBH) are available to persons who wish to receive skills training and supervision in their own homes, or those of friends and families.

### RESPITE

is a break for the caregiver, provided to parents and guardians who need trained caregivers to provide supervision to their children.

## FUNDING SOURCES

Our services are funded through a variety of sources.

- ID / BI / CMH Waiver
- Habilitation
- County
- Private Pay
